Annex to the note verbale dated 21 March 2007 from the Permanent Mission of Argentina to the United Nations addressed to the Chairman of the Committee

Buenos Aires, 14 March 2007

Considering the provisions of Decree No. 1521 of 1 November 2004 and the decisions taken by the United Nations Security Council in resolution 1737 (2006) concerning the sanctions regime imposed on the Islamic Republic of Iran, and

Whereas:

Decree No. 1521/2004 stipulates that Security Council resolutions adopted under Chapter VII of the Charter of the United Nations which establish measures binding on Member States that do not involve the use of armed force but entail sanctions, as well as decisions regarding the amendment or termination thereof, shall be promulgated by the Ministry;

By its resolution 1737 (2006), the Security Council established a sanctions regime against the Islamic Republic of Iran, which shall be reviewed after 60 days to determine whether the Islamic Republic of Iran has fully complied with its obligations under the relevant resolutions of the Security Council and met the requirements of the Board of Governors of the International Atomic Energy Agency;

It is necessary to promulgate the sanctions regime imposed on the Islamic Republic of Iran;

At the proposal of the Directorate for International Organizations, the appropriate action has been taken by the Directorate for North Africa and the Middle East, the Directorate for International Security and Nuclear and Space Affairs, the Directorate-General for Consular Matters, the Directorate-General for Legal Affairs, the Office of the Under-Secretary for Foreign Policy and this Ministry's Office of the Secretary for Foreign Affairs;

Now, therefore,

The Minister for Foreign Affairs, International Trade and Worship

Resolves:

Article 1 — In conformity with Decree No. 1521 of 1 November 2004, the measures adopted by the United Nations Security Council in its resolution 1737 (2006) concerning the sanctions regime applicable to the Islamic Republic of Iran, which, as an annex, shall form an integral part of the present resolution, are hereby promulgated.

Article 2 — The Ministry of Foreign Affairs, International Trade and Worship shall promulgate, by means of resolutions published in the Official Gazette, the lists of individuals and entities designated by the United Nations Security Council Committee established by paragraph 18 of resolution 1737 (2006).

Article 3 — This resolution shall be notified, published and transmitted to the National Official Registry and placed in the archives.

Security Council Committee established pursuant to resolution 1737 (2006)

Note verbale dated 13 March 2007 from the Permanent Mission of Mexico to the United Nations addressed to the Chairman of the Committee

The Permanent Mission of Mexico to the United Nations has the honour to refer to Security Council resolution 1737 (2006) of 23 December 2006 which imposed a number of sanctions on the Islamic Republic of Iran.

In that connection, and pursuant to paragraph 19 of the resolution which calls upon Member States to submit a report to the Committee, the Permanent Mission of Mexico has the honour to submit the report of the Government of Mexico on the steps that have been taken with a view to implementing effectively the provisions of the resolution (see annex).

07-28350 (E) 050407 050407

Annex to the note verbale dated 13 March 2007 from the Permanent Mission of Mexico to the United Nations addressed to the Chairman of the Committee

Security Council Committee established pursuant to resolution 1737 (2006)

Report submitted by Mexico pursuant to paragraphs 3, 4, 5, 6, 7, 8, 10, 12 and 17 of resolution 1737 (2006)

Under paragraphs 3, 4, 5, 6, 7, 8, 10, 12 and 17 of resolution 1737 (2006), the Security Council, acting under Chapter VII of the Charter of the United Nations, decides to impose a range of sanctions against the Islamic Republic of Iran in the fields of finance, migration, trade, technical cooperation and teaching of disciplines which would contribute to Iran's nuclear activities.

Under paragraph 19, all States are required to report to the Security Council on the steps they have taken with a view to implementing the measures taken against the Islamic Republic of Iran.

In that regard, the Government of the United Mexican States wishes to state the following:

With respect to compliance with and enforcement of the measures imposed by resolution 1737 (2006), especially paragraphs 3, 4 and 5, Mexico does not maintain a record of requests for the import from and/or export to the Islamic Republic of Iran, of nuclear or radioactive materials or nuclear equipment, materials, goods and technology.

Furthermore, Mexico does not provide nor receive from the Islamic Republic of Iran technical training, advisory services, services or assistance related to the supply, manufacture, stockpiling or use of the items covered by subparagraphs 3 (b) (i) and (ii).

Concerning paragraphs 6, 7 and 17, Mexico does not provide nor receive from the Islamic Republic of Iran technical training, advisory services, services or assistance related to the supply, manufacture, stockpiling or use of the nuclear materials or equipment on the lists referred to in paragraph 7.

With regard to paragraphs 6 and 12 on financial assets, investment, brokering, freezing of funds or other economic resources intended for nuclear programmes or other programmes related to enrichment-related, reprocessing or heavy water-related activities, or to the development of nuclear weapon delivery systems, so far no funds or other financial assets or economic resources relating to involvement in nuclear programmes or in programmes relating to weapons of mass destruction with the Islamic Republic of Iran have been identified in Mexico.

Pursuant to paragraphs 10 and 11 relating to restrictions on entry into or transit through the territories of Member States of individuals associated with proliferation sensitive nuclear activities or the development of nuclear weapon delivery systems, the Security Council decision that all States shall notify the Committee of the movements of the persons designated in the annex to the resolution, and the requirement that Member States shall report on action taken to implement the

resolution, Mexico has incorporated into the Migration Alert System of the National Institute of Migration the names of the individuals listed under the resolution. The relevant immigration and border control agencies of the Institute have also been instructed to report any relevant information.

In addition, any Iranian national who attempts to enter Mexican territory or to regularize his status there shall be processed in accordance with existing bilateral agreements.

Annex to the note verbale dated 26 March 2007 from the Permanent Mission of the Arab Republic of Egypt to the United Nations addressed to the Chairman of the Committee

[Original: Arabic]

Report of the Arab Republic of Egypt pursuant to Security Council resolution 1737 (2006)

In connection with Security Council resolution 1737 of 23 December 2006 and in implementation of operative paragraph 19 thereof concerning the presentation by States of a report on steps taken to implement paragraphs 3, 4, 5, 6, 7, 8, 10, 12 and 17, the steps taken by Egypt are set out below.

1. With regard to paragraphs 3, 4 and 5 concerning prevention of the supply of a number of items, materials, equipment, goods and technology:

Egypt does not supply to the Islamic Republic of Iran any of the items, materials, equipment, goods and technology indicated in document INFCIRC/254/Rev.8/Part 1;

Egypt does not supply to Iran any of the items, materials, equipment, goods and technology indicated in document INFCIRC/254/Rev.8/Part 2;

With regard to document S/2006/815 concerning the list of items, materials, equipment, goods and technology relevant to the ballistic missile programme, there is no former or pending military cooperation between Egypt and Iran.

2. With regard to paragraph 6, Egypt does not supply Iran with any type of technical assistance or training, financial assistance, investment, brokering or other services or transfer of financial resources or services, related to the supply, sale, transfer, manufacture or use of the prohibited items, materials equipment, goods and technology specified in paragraphs 3 and 4 of Security Council resolution 1737 (2006).

3. With regard to paragraph 7, neither Iran nor any of its nationals export any of the items mentioned in documents S/2006/814 and S/2006/815 to Egypt, nor do they use Iranian flag vessels or aircraft to do so.

4. With regard to paragraph 10, the Egyptian authorities have taken note of the list of persons identified by the Security Council Committee established pursuant to resolution 1737 (2006) and taken the required national measures.

5. With regard to paragraph 12, the list of persons and entities identified by the Committee has been circulated to the banks registered with the Central Bank of Egypt in order to freeze all funds, accounts and assets of the persons and entities listed, and any information or transactions in this regard continued to be monitored.

6. With regard to paragraph 17, there is no cooperation between Egyptian universities or educational institutions with any Iranian scientific or educational institution in any specializations that would contribute to Iran's sensitive nuclear proliferation activities or the development of nuclear weapon delivery systems.
